FLOOR DEBATE

March 27, 2002 LB 642

discussion of AM3359, Senator Brashear.

SENATOR BRASHEAR: Mr. President, members of the body, I appreciate Senator Pedersen having brought this bill. I appreciate Senator Beutler having found ways to improve it. I endorse Senator Chambers' remarks. We have worked out an amendment that will be satisfactory to all parties and the amendment will not be here today and my recommendation is going to be that we be respectful and efficient with our time and that we pass the bill on over to Select File and make the amendment that's been agreed upon. I don't think it requires more than that. (Laugh) I think it would be efficient and desirable and I urge that we do that, as often happens here, whether it's acknowledged or not. Thank you.

SENATOR CUDABACK: Thank you, Senator Brashear. Senator Beutler, there are no further lights on. Would you wish to close on your amendment?

SENATOR BEUTLER: Senator Cudaback, members of the Legislature, this is a good little bill and it sounds like we're really on the path to working things out. So, with that, I would withdraw the amendment and I'll apply a consensus amendment on... I'll try to ask you to adopt a consensus amendment on Select File.

SENATOR CUDABACK: The amendment...

SENATOR BEUTLER: Thank you.

SENATOR CUDABACK: ...the amendment is withdrawn. Back to the discussion on the original bill, LB 642, offered by Senator Dwite Pedersen. Senator Pedersen, there are no lights on wishing to speak. Did you wish to close on your bill?

SENATOR DW. PEDERSEN: Only to thank Senator Brashear and Senator Beutler for their work on this bill. Thank you, both, and let's move it on to the next stage. Thank you.

SENATOR CUDABACK: Thank you, Senator Pedersen. You've heard the closing on LB 642. The question before the body is advancement of LB 642 to E & R Initial. All in favor vote aye,
